**The report of the Parish Remuneration Panel appointed to  
review the allowances paid to members of parish councils  
within the Borough of Guildford**

~~~~~

November 2019

INTRODUCTION

1. Part 5 of The Local Authorities (Members' Allowances) (England) Regulations 2003 ("the 2003 Regulations") as amended by The Local Authorities (Members' Allowances) (England) (Amendment) Regulations 2004, make provision for the establishment by Guildford Borough Council, as the responsible authority, of a Parish Remuneration Panel whose function is to produce a report in relation to the members of the authorities in respect of which it was established, making recommendations as to:
 - (a) the amount of parish basic allowance payable to elected members of such authorities;
 - (b) the amount of travelling and subsistence allowance payable to members of such authorities, elected or otherwise;
 - (c) whether parish basic allowance should be payable only to the chairman of any such authority or to all of its members;
 - (d) whether, if parish basic allowance should be payable to both the chairman and the other members of any such authority, the allowance payable to the chairman should be set at a level higher than that payable to the other members and, if so, the higher amount so payable; and
 - (e) the responsibilities or duties in respect of which members should receive parish travelling and subsistence allowance.

Note: The 2003 Regulations make no provision for a parish council to pay any of its members a dependants' carers' allowance.

2. Guildford Borough Council ratified the appointment of the following members in respect of its Independent Remuneration Panel and who, by virtue of the 2003 Regulations, were also appointed as members of the Parish Remuneration Panel:

Mark Palmer (Chair)
Vivienne Cameron
Dennis Frost

BACKGROUND

3. At present, parish councils may pay their chair an allowance which it thinks reasonable for the purpose of meeting the expenses of that office under Section 15(5) of the Local Government Act 1972 (a "Section 15 Allowance"). The 2003 Regulations do *not* supersede these provisions. The 2003 Regulations removed the option of parish councils paying their councillors a financial loss allowance under Section 173 of the Local Government Act 1972. Other than the Section 15 Allowance for the chair, parish councils may only pay a parish basic allowance or parish travel and subsistence allowance having had regard to the recommendations of the Parish Remuneration Panel contained in this report.

4. We surveyed each of the 23 parish councils in Guildford Borough and the questionnaires were sent to each parish clerk, copies of which are attached as **Appendix 1**.

RESPONSES TO THE QUESTIONNAIRE

5. Overall, 14 parish councils (61 per cent) responded to the questionnaire. We found that 3 parish councils currently paid their respective chair a Section 15 Allowance. The value of that allowance ranged from £300 up to £1000 per annum. A summary of the responses received is attached as **Appendix 2**.
6. Of the parish councils which responded to the questionnaire none expressed a wish for the Panel to make a recommendation in respect of a parish basic allowance, as envisaged by the 2003 Regulations. Only one council wished to pay an allowance to their chair.
7. Four councils expressed a wish that consideration be given by the Panel to recommending appropriate rates of parish travelling and subsistence allowance, or that such an allowance might be appropriate.

CONCLUSIONS & RECOMMENDATIONS

Parish Basic Allowance

8. From the evidence obtained we do not believe that the workload or time commitments of either a parish councillor or a parish chair are sufficiently onerous to warrant payment of a parish basic allowance. We consider that this view reflects the general opinion and feeling of the local parish councils that their councillors' role is primarily and essentially voluntary.
9. Moreover, any parish council wishing to remunerate its chair by way of meeting the expenses of the office of chairman may legitimately do this via the Section 15 Allowance.
10. **WE THEREFORE RECOMMEND that no parish basic allowance be payable by any of the parish councils in the Borough of Guildford to their members.**

Parish Travelling and Subsistence Allowance

11. The 2003 Regulations provide that a parish council may pay to its members a parish travelling and subsistence allowance (which may include provision for the payment of an allowance for those members who travel by bicycle or other non-motorised transport); and whilst undertaking one or more of the following:
 - (i) attending a meeting:
 - of the authority or a committee or sub-committee of the authority
 - of some other body (including a committee or sub-committee of such body) to which the authority makes appointments or nominations
 - of a local authority association of which the authority is a member

or

- (ii) duties undertaken on behalf of the authority:
 - in pursuance of any standing order requiring a member or members to be present while tender documents are opened
 - in connection with the discharge of any function of the authority conferred by or under any enactment and empowering or requiring the authority to inspect or authorise the inspection of premises
 or
- (iii) any other duty approved by the authority in connection with discharging the duties of the authority or its committees or sub-committees.

12. We consider that parish councils should be given the opportunity to offer to their councillors a parish travelling and subsistence allowance to recompense them for their expenses incurred in the course of their duties as parish councillors.
13. In our recommendations to Guildford Borough Council in relation to travelling and subsistence allowances for Borough Councillors, we suggested that the amounts payable to councillors in respect of travelling and subsistence allowance should be the same amounts which are payable to officers of the Council for travelling and subsistence undertaken in the course of their duties. These amounts are unchanged from the IRP's previous report and recommendations (in November 2015).
14. **On this basis WE THEREFORE RECOMMEND that the parish travel and subsistence allowances set out below, which are based on those currently recommended for adoption by Guildford Borough Council, be payable by the parish councils within the Guildford Borough area to their respective parish councillors, whether they be elected or otherwise, in respect of the duties referred to in paragraph 11 above.**

Public Transport – In respect of any approved duties, Councillors and co-opted members are reimbursed the cost of second class or any available cheap rate travel using public transport on production of a valid ticket.
