

West Horsley S106 Schedule – Revised April 2023

The tables below summarise the main Infrastructure and Community Projects identified by West Horsley Parish Council to be pursued for S106 Funding where there is a likelihood that the allocated sites, and other significant developments, will come forward. Where other sources of funding may need to be secured this is indicated within the chart.

- **TABLE ONE** shows S106 requested, agreed and where actioned, as the application has been approved – in red.
- **TABLE TWO** shows requests for agreement/discussion received to date to be put forward against potential development – in black.
